# Fresh food and fine wine

At L'Horizon Beach Hotel and Spa, our chefs are passionate about showcasing their creativity and island flair, using the finest seasonal produce.

Wherever possible our chefs source local ingredients from the lush island landscape and the clean clear waters which surround it, before preparing dishes with garden-fresh herbs and delicate spices to enhance natural flavours.

L'Horizon may be a fish lovers' paradise, but with a wide range of dining options we can cater for every taste. There is the stylish 2 AA Rosette restaurant, The Grill, the Atlantic Lounge for something a little more relaxed and, of course, dining al fresco on the Terrace during the summer months. If the sun is shining, our chef can prepare a delectable picnic to take with you on island excursions.
